End of Term Attendance Update

As we approach the end of the Christmas term, we want to take a moment to celebrate the fantastic effort our pupils and families have shown so far. Attendance plays a vital role in giving every child the best start in life, and we are truly grateful for your continued support in helping children come to school each day ready to learn, grow, and thrive.

Congratulations to Year 6 for leading the way with the highest attendance this term. 96.97%! Who will claim first place next term?

Our whole-school attendance for the term currently stands at 95%. We want to say a huge thank you to our families for making attendance a priority. Your commitment is helping our children build resilience, confidence, and a strong foundation for their learning. As we look ahead to the new year, we're confident that, with your ongoing support, we can continue to improve and maintain positive attendance across the school.
