**Executive Headteacher:** Mrs Nicky Wright

28 June 2021

Dear Parents and Carers,

We are writing to inform you of a fantastic opportunity that we now have available to all our school community. Our school has been selected to take part in a NHS Mental Health Support Team training programme which has been running throughout Surrey for the past 3 years. This will enable opportunities for additional support for both children, parents, staff and training.

Attached is a flyer introducing our Mental Health Support Team who will be working with us to support our children and their families in developing strategies to deal successfully with various issues which have arisen. Please take the time to read the flyer and feel free to contact us if you would like to discuss any worries or concerns you may have.

In addition to this, there is some additional details and a video on our website in the News and Events section. Please watch the video from the team as there is clear information within, which you will find helpful.

<https://www.southcamberley.surrey.sch.uk/page/?title=Presentations+to+Parents&pid=162>

Also, we are hoping to start some coffee morning workshops from September on any issues that you would like advice on, for example anxiety, anger etc. If there are any things you would like extra advice and support with, as a parent, please do let us know.

Kind regards,

Mrs Sarah Ayres-Townshend  
SEMH & Wellbeing Lead  
Deputy DSL

Mrs Francis Millett  
Year 6 Teacher &  
Learning for Life Lead
