

PARENT RESOURCES LOG IN GUIDE

This is the link to give parents so that they can access the three digital courses (*Me, You and Baby Too*, *Getting it right for children*, and *Arguing better*):

<https://www.oneplusone.org.uk/parent-resources-for-england>

The screenshot shows the 'oneplusone' website interface. At the top right, there are links for 'Instructions' and 'FAQs'. The main heading is 'How to register and get started with the digital courses' with the sub-heading 'REDUCING PARENTAL CONFLICT'. Below this, there are two tabs: 'How do I register?' (selected) and 'I've already registered. How do I log in?'. The 'How to register' section explains that users need to register first and provides a grid of regional maps and local authority buttons. A red arrow points to the 'Southern England' map, and another red arrow points to the 'Surrey' button in the grid.

Bath	BCP	Bracknell	Brighton and Hove	Dorset
Gloucestershire	Hertfordshire	Kent & Medway	North Somerset	Reading
Slough	Somerset	South Gloucesters	Surrey	Swindon
West Berkshire	West Sussex	Wiltshire	Wokingham	

To access the courses, parents will need to click the **Southern England** map and then choose **Surrey** in the list below. This will take them to a new page where they can create an account that gives them access to the courses.

Note: If for any reason a parent is unable to log in with their own account, you can create one for them. However, please be aware that if parents don't have their own unique logins, we may not have enough data on our quarterly reports to show how many parents are using the courses. Separated parents using the courses may want to create two individual logins.

Once a parent has registered, they will see all three courses on their dashboard:
