EYFS	Overview	Key Skills	
Ball Skills Unit 1 Nursery/Reception	In this unit children will develop their ball skills through the topic of 'minibeasts'. Children will develop fundamental ball skills such as rolling and receiving a ball, throwing to a target, bouncing and catching, dribbling with feet and kicking a ball. Children will be able to develop their fine and gross motor skills through a range of game play using a variety of equipment. Children will be given opportunities to work independently and with a partner.	Physical	Rolling a ball, stopping a rolling ball, throwing at a target, bouncing a ball, dribbling a ball with feet, kicking a ball
		Social	Co-operation, supporting others, sharing and taking turns
		Emotional	Honesty, perseverance
		Thinking	Using tactics, decision making
Ball Skills Unit 2 Nursery/Reception	In this unit children will develop their ball skills through the topic of 'weather'. Children will develop fundamental ball skills such as throwing and catching, rolling a ball, using targets, dribbling with feet, kicking a ball, bouncing and catching a ball. Children will be able to develop their fine and gross motor skills through a range of game play with balls. Children will work independently and with a partner and will develop decision making and using simple tactics.	Physical	Rolling a ball, tracking a ball, throwing at a target, bouncing a ball, dribbling a ball with feet, kicking a ball
		Social	Co-operation, sharing and taking turns
		Emotional	Determination
		Thinking	Using tactics, decision making
Dance Unit 1 Nursery/Reception	In this unit, children will develop their expressive movement through the topic of 'everyday life'. Children explore space and how to use space safely. They explore travelling movements, shapes and balances. Children choose their own actions in response to a stimulus. They are given the opportunity to copy, repeat and remember actions. They are introduced to counting to help them keep in time with the music. They perform to others and begin to provide simple feedback.	Physical	Travelling, copying and performing actions, co-ordination
		Social	Respect, co-operating with others
		Emotional	Working independently, determination
		Thinking	Counting, observing and providing feedback, selecting and applying actions
Dance Unit 2 Nursery/Reception	In this unit, children will develop their expressive movement through the topic of 'places'. Children explore space and how to use space safely. They explore traveling actions, shapes and balances. Children choose their own actions in response to a stimulus. They also are given the opportunity to copy, repeat and remember actions. They continue to use counting to help them keep in time with the music. They explore dance through the world around them. They perform to others and begin to provide simple feedback. Year 1	Overview	Key Skills	
Athletics Year 1	In this unit, pupils will develop skills required in athletic activities such as running at different speeds, changing direction, jumping and throwing. In all athletic based activities, pupils will engage in performing skills and measuring performance, competing to improve on their own score and against others. They are given opportunities to work collaboratively as well as independently.	Physical	Running at varying speeds, agility, balance, jumping, hopping and leaping in combination and for distance, throwing for distance
		Social	Working safely, collaborating with others
		Emotional	Working independently, honesty and playing to the rules, determination
		Thinking	Exploring ideas
Ball Skills Year 1	In this unit, pupils will explore their fundamental ball skills such as throwing and catching, rolling, hitting a target, dribbling with both hands and feet and kicking a ball. Pupils will have the opportunity to work independently, in pairs and small groups. Pupils will be able to explore their own ideas in response to tasks.	Physical	Rolling, kicking, throwing, catching, bouncing, dribbling, tracking
		Social	Co-operation, communication, leadership, supporting others
		Emotional	Honesty, perseverance, challenging myself
		Thinking	Using tactics, exploring actions, comprehension
Dance Year 1	Pupils will explore travelling actions, movement skills and balancing. They will understand why it is important to count to music and use this in their dances. Pupils will copy and repeat actions linking them together to make short dance phrases. Pupils will work individually and with a partner to create ideas in relation to the theme. Pupils will be given the opportunity to perform and also to provide feedback, beginning to use dance terminology to do so.	Physical	Travel, copying and performing actions, using shape, balance, coordination
		Social	Co-operation, communication, coming to decisions with a partner, respect
		Emotional	Confidence, acceptance
		Thinking	Counting, observing and providing feedback, selecting and applying actions
Fundamentals Year 1	Pupils will explore the fundamental skills of balancing, running, changing direction, jumping, hopping and skipping. They will explore these skills in isolation as well as in combination.	Physical	Balancing, sprinting, jogging, dodging, jumping, hopping, skipping
		Social	Taking turns, supporting and encouraging others, working safely, communication

	Pupils will be given opportunities to identify areas of strength and areas for improvement. Pupils will work collaboratively with others, taking turns and sharing ideas.	Emotional	Challenging myself, perseverance, honesty
		Thinking	Identifying strengths, listening and following instructions
Gymnastics Year 1	In this unit pupils learn to use space safely and effectively. They explore and develop basic gymnastic actions on the floor and using low apparatus. Basic skills of jumping, rolling, balancing and travelling are used individually and in combination to create movement phrases. Pupils are given opportunities to select their own actions to build short sequences and develop their confidence in performing. Pupils begin to understand the use of levels, directions and shapes when travelling and balancing.	Physical	Travelling actions, shapes, balances, jumps, barrel roll, straight roll, forward roll progressions
		Social	Sharing, working safely
		Emotional	Confidence
		Thinking	Observing and providing feedback, selecting and applying actions

Team Building Year 1	In this unit pupils develop their communication and problem solving skills. They work individually, in pairs and in small groups, learning to take turns, work collaboratively and lead each other. They are given the opportunity to discuss and plan their ideas to get the most successful outcome.	Social	Communication, sharing ideas, inclusion, encouraging and supporting others
		Emotional	Confidence, trust, honesty
Yoga Year 1	Pupils learn about mindfulness and awareness. They begin to learn poses and techniques that will help them connect their mind and body. The unit looks to improve wellbeing by building strength, flexibility and balance. The learning includes postures, breathing and meditation taught in through fun and engaging activities.	Thinking	Decision making, using tactics, providing instructions, planning, problem solving
		Physical	Breathing, relaxation, balance, flexibility, strength
		Social	Working safely, sharing ideas, leadership
		Emotional	Calmness, patience, understanding, independence
Year 2	Overview	Thinking	Selecting actions, comprehension, focus, providing feedback
		Key Skills	
		Physical	Running at different speeds, jumping for distance, throwing for distance
		Social	Working safely, collaborating with others
Athletics Year 2	In this unit, pupils will develop skills required in athletic activities such as running at different speeds, jumping and throwing. In all athletic based activities, pupils will engage in performing skills and measuring performance, competing to improve on their own score and against others. They are given opportunities to work collaboratively as well as independently. They learn how to improve by identifying areas of strength as well as areas to develop. 		Thinking	Observing and providing feedback
Ball Skills Year 3	Pupils will have the opportunity to develop their accuracy and consistency when tracking a ball. They will explore a variety of throwing techniques and will learn to select the appropriate throw for the situation. They will develop catching with one and two hands as well as dribbling with feet and hands. These skills will then be applied to small group games. Pupils will have the opportunity to take on different roles and work both individually and with others.	Physical	Tracking a ball, throwing, catching, dribbling
		Social	Supporting others, co-operation, communication, managing games
		Emotional	Perseverance, honesty, respect, challenging self
		Thinking	Decision making, developing tactics, creativity
Cricket Year 3	Pupils learn how to strike the ball into space so that they can score runs. When fielding, they learn how to keep the batters' scores low. In all games activities, pupils have to think about how they use skills, strategies and tactics to outwit the opposition. In cricket, pupils achieve this by striking a ball trying avoid fielders, so that they can run between wickets to score runs. Pupils are given opportunities to work in collaboration with others, play fairly demonstrating an understanding of the rules, as well as being respectful of the people they play with and against. Athletics Year 4	In this unit, pupils will develop basic running, jumping and throwing techniques. They are set challenges for distance and time that involve using different styles and combinations of running, jumping and throwing. As in all athletic activities, pupils think about how to achieve their greatest possible speed, distance or accuracy and learn how to persevere to achieve their personal best.	Physical	Pacing, sprinting technique, jumping for distance , throwing for distance
		Social	Working collaboratively, working safely
		Emotional	Perseverance, determination
		Thinking	Observing and providing feedback, exploring ideas
Ball Skills Year 4	Pupils will have the opportunity to develop their accuracy and consistency when tracking a ball. They will explore a variety of throwing techniques and will learn to select the appropriate throw for the situation. They will develop catching with one and two hands as well as dribbling with feet and hands. These skills will then be applied to small group games. Pupils will have the opportunity to take on different roles and work both individually and with others.	Physical	Tracking a ball, throwing, catching, dribbling

Cricket Year 4	Pupils learn how to strike the ball into space so that they can score runs. When fielding, they learn how to keep the batters' scores low. In all games activities, pupils have to think about how they use skills, strategies and tactics to outwit the opposition. In cricket, pupils achieve this by striking a ball trying avoid fielders, so that they can run between wickets to score runs. Pupils are given opportunities to work in collaboration with others, play fairly demonstrating an understanding of the rules, as well as being respectful of the people they play with and against.
