Behaviour

We will continue to follow our school behaviour policy.

P.U.R.E. Principles:

Positivity, Urgency, Resilience & Equity

Behaviour Certainties:

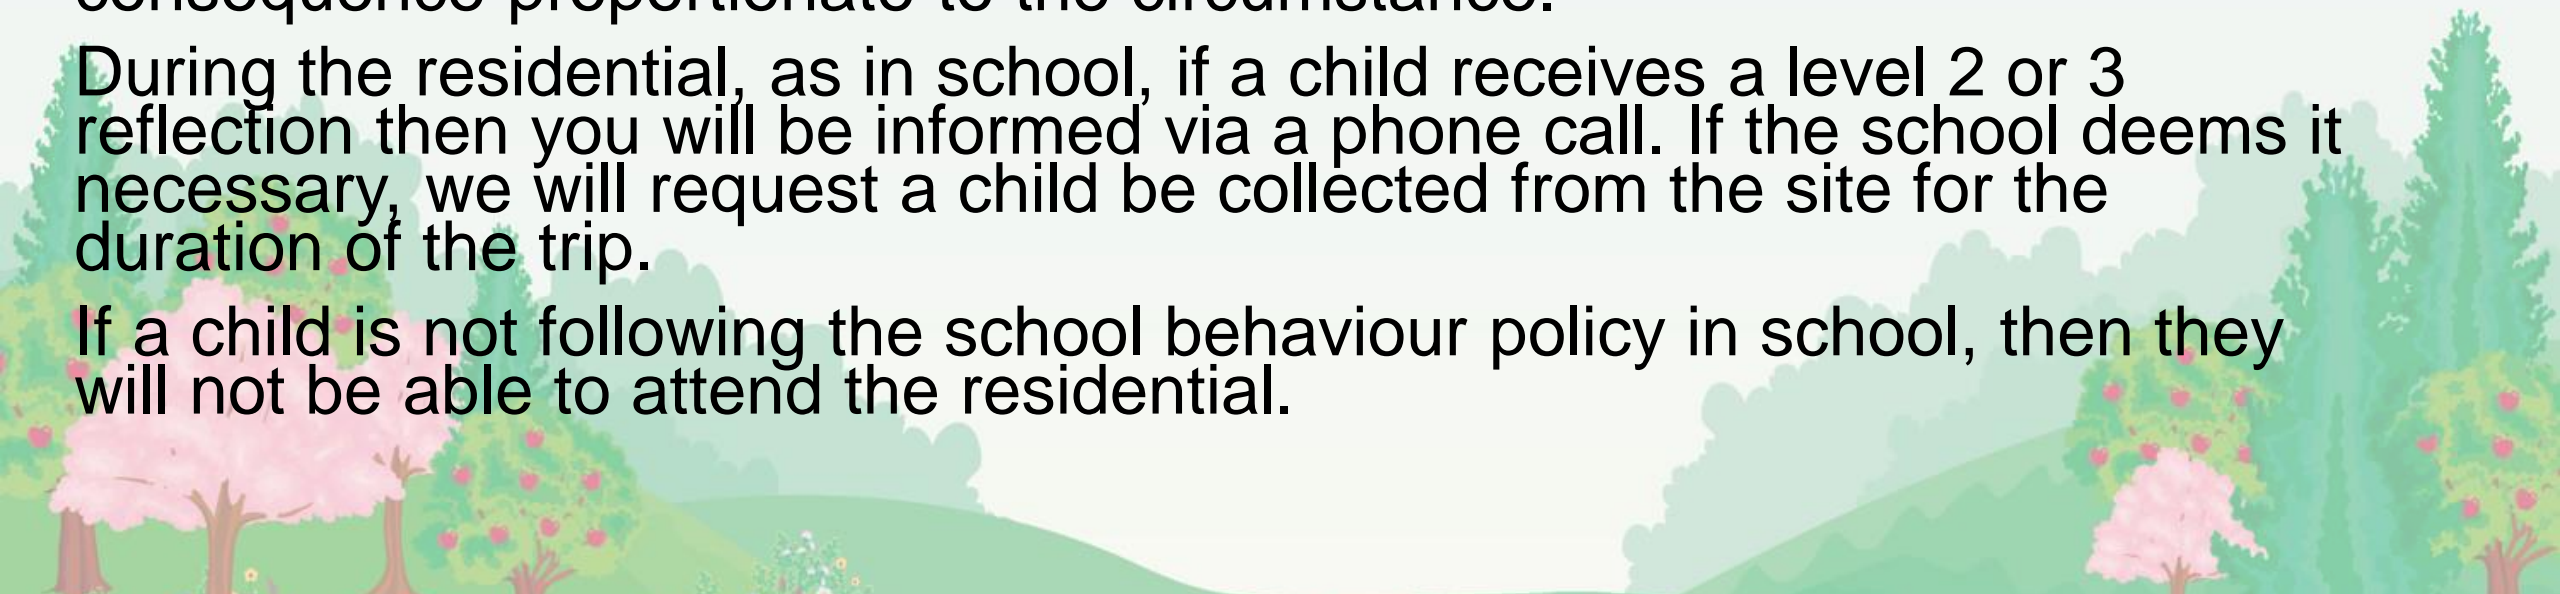

Ready, Respectful & Safe

Children will receive praise and recognition for displaying our principles and certainties in line with the strategies in school.

All children whose behaviour does not meet expectations may receive a consequence proportionate to the circumstance.

During the residential, as in school, if a child receives a level 2 or 3 reflection then you will be informed via a phone call. If the school deems it necessary, we will request a child be collected from the site for the duration of the trip.

If a child is not following the school behaviour policy in school, then they will not be able to attend the residential.

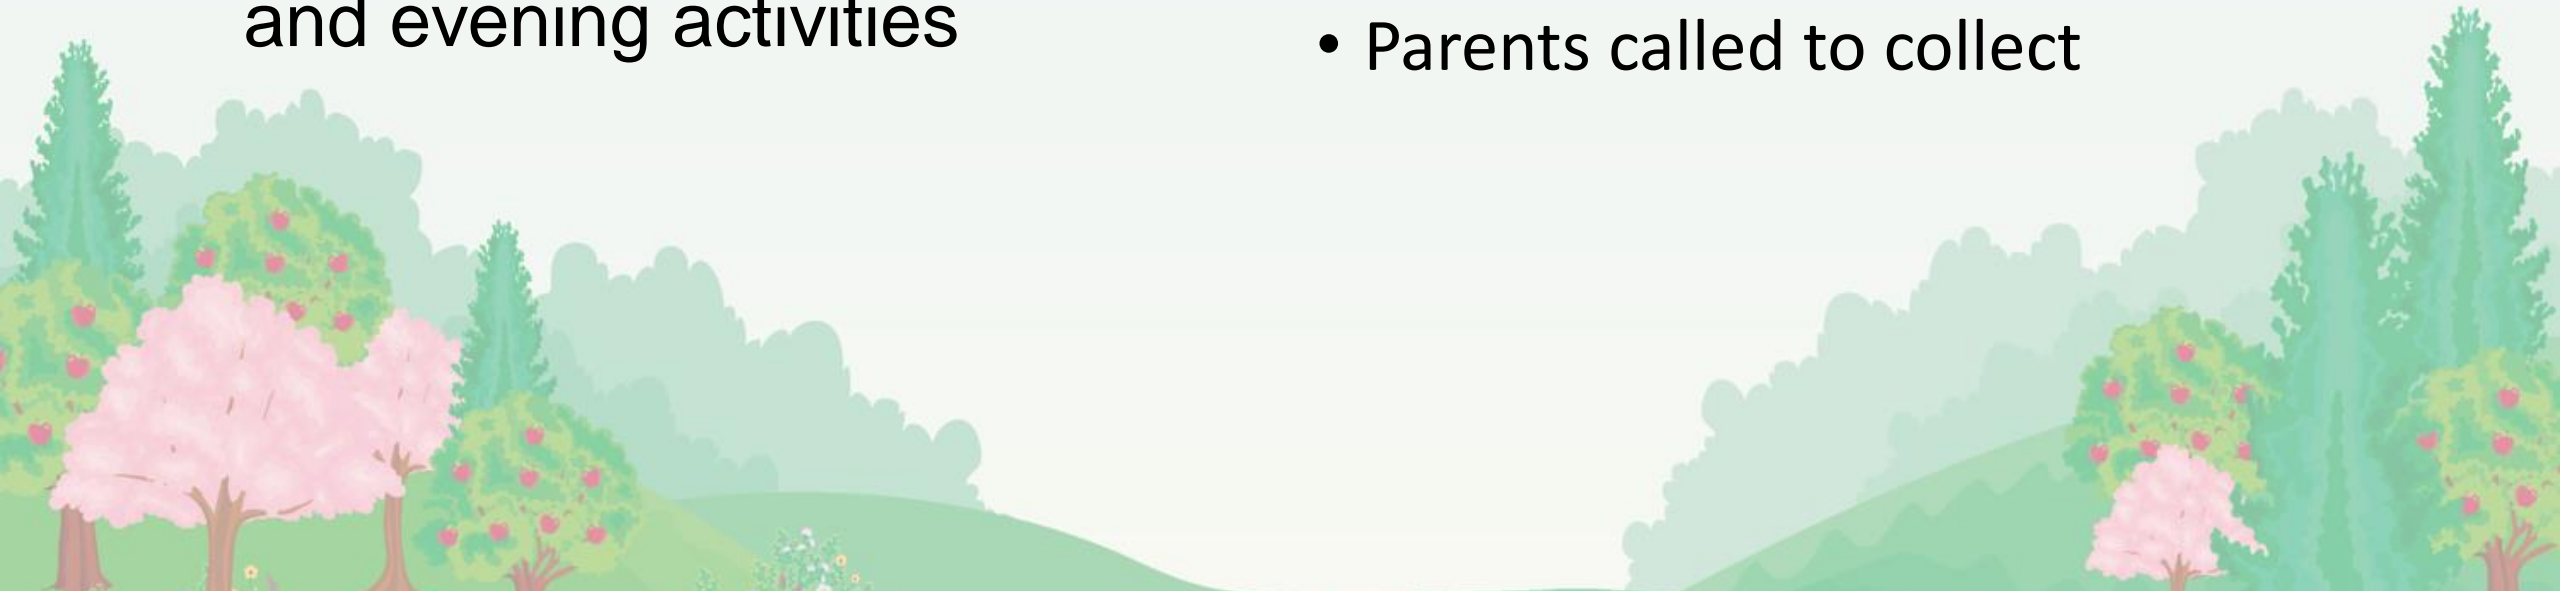

Behaviour

Rewards

- Room competition

- Time outside between day and evening activities

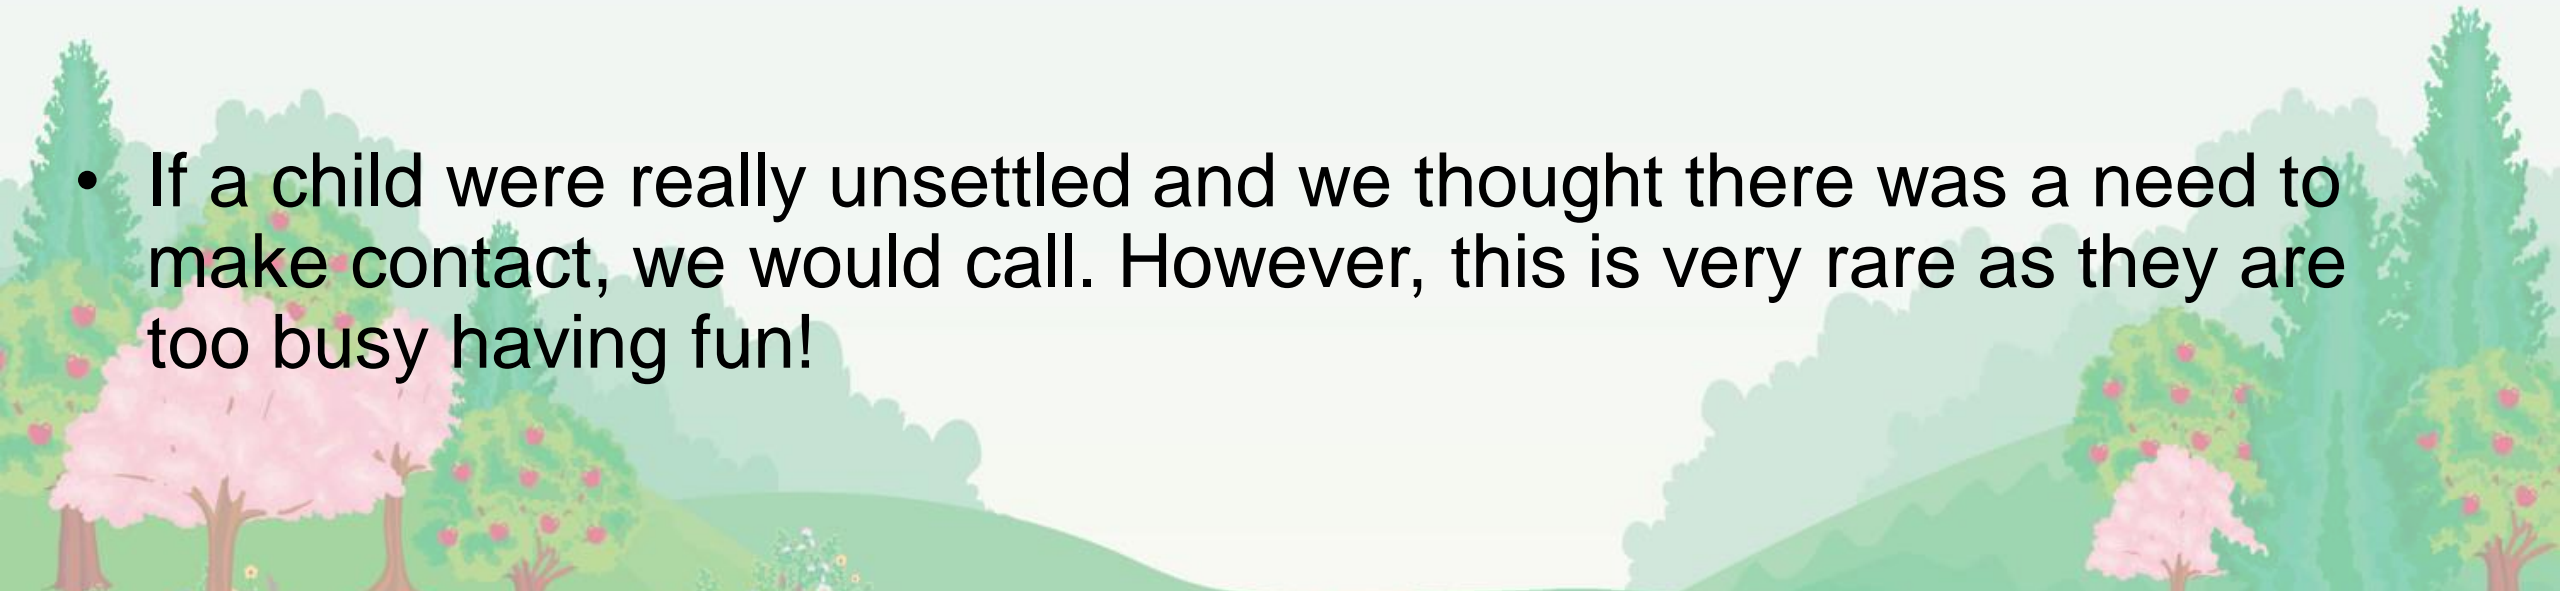

Consequences

Communication

- Teachers will be in daily contact with the school.
- Tweets will be posted on the Year 3 and Year 4 Twitter pages.
- All members of staff will have their phones for emergency purposes and if they need to make contact, they will call using a withheld number.
- If a child were really unsettled and we thought there was a need to make contact, we would call. However, this is very rare as they are too busy having fun!
